

STAGING WILL BEGIN 30MIN PRIOR TO THE PUBLISHED START TIME OF EACH WAVE.

- For example: Wave 1 MS Boys starts at 8:30am. The staging for ALL MS Boys will start at 8AM SHARP.
- IF a student athlete is not present at the time the staging official either calls the team number for race 1(to send their rider) or calls the students name (for call ups), they will automatically be placed at the back of the field. NO EXCEPTIONS. Please have your riders at staging on time.

PRIOR TO RACE 1

At the beginning of the season all teams will be entered into a spreadsheet that randomly assigns a team with a number. The Teams will have these numbers for the entire year..(example: numbers 1-47 because there are 47 teams).

- The numbers will be posted prior to Race #1 at <http://georgiamtb.org/2017-races/>
- At staging, we will have these numbers mounted on a sign that your team will stand behind for every race in single file line.
- Only 1 coach per team permitted in staging with riders

RACE 1

All Riders that qualify for a call up based position for race 1 will be called up prior to race. See Rule 6.14 below.

RULE 6.14. FIRST RACE CALL-UPS

Call-ups at the first race of the season shall be based upon the overall points earned by each rider in the previous season. No adjustments will be made based on category changes or other circumstances. There are no call-ups for freshman riders at the first race.

All other riders for Race #1 that do not qualify for a call up, will be staged as team numbers are called in order from 1-47..

- The Head Coach will have riders in a single file line from fastest to slowest for each category. (our goal here is to minimize the number of passes by students allowing for a safer athlete experience)
- Head Coaches, please determine this order prior to race 1 and be prepared
- For Example: The Staging official will call “Varsity Boys-Team 1, send your ride to Lane 1”. The coach will already have the fastest rider in the front of the line for their team and will quickly send the rider into Lane 1 staging gate.
- ONLY RIDERS STARTING IN THE WAVE AT THAT TIME SHOULD BE IN STAGING

RACE 2-5

All Riders that qualify for a call up based position for races 2-5 will be called up prior to race. See rule 6.13 below.

RULE 6.13. START LINE CALL-UPS

Start line call-ups for top placed riders takes place at all races. At the first race of the season the call-ups are based on the points from the previous season, regardless of the category where the points were earned. At all subsequent races, the call-ups are based on the overall placing in that category in the current season. The following number of riders will be called up for each race start:

- Field size of 24 or less riders: Top 5 are called up
- Field size of 25–49 riders: Top 10 are called up
- Field size of 50-74 riders: Top 15 are called up
- Field size of 75+ riders: Top 20 are called up

All other Riders for Races #2-#5 will include 100% call ups for each category, based on series points

- If a student does not race in Race #1, they will be placed at the back of the field for Race #2. Same goes for races 3-5.
- These call ups will be published the week of each race. Please arrive at staging in order of your call ups.
- We only keep up with series points behind the scenes for 6th and 7th grade for staging only

If a student athlete transfers from another League and did qualify for a call up based on their series results, they will be placed at the very next position available after call ups.

- For example: if a Sophomore rider from AL League moves to GA and competes as a J.V rider (and the rider finished in the top places of sophomore qualifying him for a call up in J.V) we will place that rider in 11th place if the top 10 are called up.
